

# Expert advice for every stage of your *financial journey*

Have you built a plan to reach your financial goals? Do you feel on track to achieve them? Everyday expenses can make it tough to save, but you don't have to figure it out alone.

Your financial goals are unique—and so is the support you get with your group plan. As part of your plan with us, you have access to a licensed Manulife financial advisor to help you manage your finances with confidence.

A Manulife advisor can help you:

- **Build a financial plan**—Whether you're saving for a home, education, or retirement, your advisor will help you set clear goals and build a plan you can stick to.
- **Invest in ways that work for you**—Get unbiased advice on investment options from Manulife and other providers, so you can make informed choices that fit your situation.
- **Find ways to save more**—Your advisor will help you spot opportunities to grow your savings and simplify your finances.
- **Support for your whole family**—Financial advice is available for your spouse and family members, even after you leave your employer.

Plus, our online booking tool is easy to use and lets you schedule a virtual or phone meeting in the language you're most comfortable with.

Every step you take today brings you closer to your goals for tomorrow. We're here to help you make those steps easier and more rewarding.
